Re: Envirocare of Utah – Material License No. UT2300478; Acknowledgment of Receipt of
License Renewal Application.

Dear Mr. Rogers:

The Division of Radiation Control acknowledges that Envirocare of Utah filed a license renewal application with the Nuclear Regulatory Commission regarding Materials License SMC-1559, prior to the State of Utah becoming an agreement state for 11e(2) byproduct material. In addition, the Division of Radiation Control acknowledges that Envirocare has met the timely renewal requirements and Material License UT2300478 is considered to be under timely renewal.

If you have any questions, please feel free to contact me.
