

STATE OF UTAH PLAN APPROVAL

April 4, 2003

PERMITTEE:

Envirocare of Utah, Inc.
Tooele County, Utah
EPA Identification Number UTD 982598898

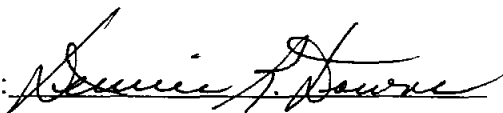

Pursuant to the Utah Solid and Hazardous Waste Act, 19-6-101, et. Seq., Utah Code Annotated 1953, as amended, and the regulations promulgated there under by the Utah Solid and Hazardous Waste Control Board, codified in the Utah Administrative Code R315, and pursuant to the Solid Waste Disposal Act, 42 U.S.C. 3251 et. sec., as amended by the Resource Conservation and Recovery Act of 1976, 42 U.S.C. 6901 et. sec., and the Hazardous Waste Amendments of 1984 (HSWA), a plan approval (hereinafter called a Permit), is issued to Envirocare of Utah, Inc. (hereinafter referred to as the Permittee), to operate a hazardous waste treatment, storage, and disposal facility in Tooele County, Utah at latitude 40° 41' 000" North and longitude 113° 06' 030" West.

The Permittee shall comply with all the terms and conditions of this Permit. The Permit consists of Modules I through VII, and associated Attachments. The Permittee shall also comply with all applicable State rules, including R315-1 through R315-9, R315-12 through R315-14, R315-16, R315-50, and R315-101.

Applicable rules are those that are in effect on the date of issuance of this Permit and any self-implementing provisions and related rules that, according to the requirements of HSWA, are automatically applicable to the Permittee's hazardous waste management activities, notwithstanding the conditions of this Permit.

This Permit is based on the premise that the information submitted in the original permit application dated July 22, 1987 as modified by subsequent amendments, permit modification requests received throughout the term of the original permit, the permit renewal application received October 28, 1999, as modified by the submission of subsequent amendments, is accurate. The Permittee's failure in the application or during the permit issuance process to disclose fully all relevant facts, or the Permittee's misrepresentation of any relevant facts at any time, may be cause for the termination or modification of this Permit, the initiation of enforcement action, including criminal proceedings, or any combination to these remedies. The Permittee shall inform the Executive Secretary of the Utah Solid and Hazardous Waste Control Board (the Executive Secretary) of any deviation from or changes in the information on which the application was based which would affect the Permittee's ability to comply with the terms and conditions of this Permit. The Executive Secretary will enforce all terms and conditions of this Permit. Any challenges to any condition of this Permit shall be appealed to the Utah Solid and Hazardous Waste Control Board in accordance with the applicable provisions of the Utah Code Annotated.

This Permit is effective as of April 4, 2003, and shall remain in affect until April 4, 2013, unless revoked and reissued pursuant to R315-3-4.2, terminated pursuant to R315-3-4.4, or continued in accordance with R315-3-5, and the conditions of this permit.

Subject: Mixed Waste Facility; State-issued Part B Permit Renewal

Dear Mr Nielson

On October 28, 1999, Envirocare of Utah, Inc , submitted an application to the Utah Division of Solid and Hazardous Waste to renew its State-issued Part B (mixed waste) Permit. The current permit for the Envirocare Mixed Waste Facility was issued November 30, 1990, and expired November 30, 2000. By rule, the facility was allowed to continue operations under the existing permit until final action was taken on the renewal application

A draft permit for the Envirocare of Utah, Inc Mixed Waste Facility was made available for public review and public comment. The comment period ended on September 27, 2002. Comments were received during this period. The Division of Solid and Hazardous Waste reviewed the permit renewal application, in light of the public comments, and thereafter requested that Envirocare make appropriate revisions to portions of the renewal application After reviewing the revisions and supporting information, the draft permit was reissued for public comment This comment period ended on March 14, 2003.

The Executive Secretary has now determined that the permit renewal application is complete and acceptable and hereby reissues the Envirocare of Utah, Inc , State-issued Part B Permit Envirocare shall replace the expired permit with this reissued permit. The effective date of the reissued permit shall be April 4, 2003, and shall remain in effect for a period of 10 years, and shall expire on April 4, 2013.

Enclosed is a copy of the reissued permit, excluding drawings
